WHEN Lord Cornbury had the Administration of the Government of the Province of New York, a Committee was appointed by the General Assembly of that Province to research into the Grievances of their Constituents, who (after maturely weighing the Privileges of the Prerogative on the one Side, and the Liberty of the Subject on the other) drew up several noble and spirited RESOLVES, which were received and approved of by that Assembly then sitting; who thereupon exhibited a Complaint to her Majesty, the late Queen ANNE, against Lord Cornbury's haughty and oppressive Government, in Answer to which, that most exalted Sovereign (well judging how to set an intrinsic Value on the Affections of her American Subjects) returned them this most gracious Answer (which ought to have been wrote in Letters of GOLD, and preserved to the latest Posterity, for the worthy Imitation of all her Successors): *She had heard the CRIES of her injured Subjects, and would not countenance even her nearest Relations in Oppressing her People.*—She immediately directed Lord Cornbury of his Commission (altho' he was her own Cousin) and appointed Lord Lovelace to succeed him.

These Resolves must now stimulate our Attention at this Time, when we are Groaning under the insupportable Burden of oppressive Taxes of every Denomination; when our Houses are threatened with being turned into Barracks (while our Swords are beaten into Plowshares) and the Chastity of our Wives and Daughters exposed to the insulting Arrogance of a rude and unpolished Soldier, when our Privilege of Juries is taken away, when our LIBERTY of the PRESS (that useful VEHICLE) is totally belied, by which we shall now no more be able to continue our Intelligences, or of communicating our friendly Sentiments upon Arts or Sciences, upon Religious or Civil Connections; and all this at a Time when we have no Room to doubt but that the Royal Ear will listen to our Complaints, when urged by pathetic, warm, and expostulating Remonstrances, against the Impolicy and Impropriety of the Measures that are now taking with us, which have a manifest Tendency to alienate the Affections of a Million of loyal, useful and faithful Subjects, who on every Occasion have expressed a ready and close Attachment to his Majesty's Sacred Person, and have sacrificed their Lives in supporting the Dignity of the British Diadem.

GOD grant that our Sovereign may incline his Attention to the united Voice of his People, may he adopt the invaluable Sentiments of his Glorious Predecessor, Queen ANNE, may he never countenance his Ambitious Ministers, even tho' they are his nearest Relations, in oppressing his American Subjects: This and This alone will quiet our Fears, will reinvigorate (if possible) our Confidence in our King, will redound to the temporal Honour of his Crown and Dignity, and to the eternal Honour of his Reign and Memory.

SIC PRECANTUR AMERICANI.

The following are the RESOLVES referred to above.

RESOLVED, and it is the Opinion of this Committee, That the IMPOSING and LEVYING of any MONIES upon her Majesty's Subjects of this Colony, under any Pretence or Colour whatsoever, without Consent in General Assembly, is a Grievance and Violation of the Peoples Property.

RESOLVED, That it is, and always has been, the unquestionable RIGHT of every FREEMAN in this Colony, that he hath a perfect and entire Property in his Goods and Estate.

RESOLVED, That the Raising of Money for the Government or any necessary Charges, by any Tax, Impost, or Burthen, on Goods Imported or Exported, or any Clog or Hindrance on Traffick or Commerce, is found by Experience to be the Expulsion of many, and the Improvement of the Rest of the Planters, Freeholders, and Inhabitants of this Colony; of most per-

nicious Consequence, which will unavoidably prove the Ruin of the Colony.

RESOLVED, That for any Officer whatsoever to Extort from the People, extravagant and unlimited Fees, or any Money whatsoever, not positively Established and Regulated by Consent of General Assembly, is Unreasonable and Unlawful, a great Grievance, and Tending to the utter Destruction of all Property in this Plantation.

QUEBEC, July 4.

To the PRINTERS.

GENTLEMEN,

YOU are desired, by several of your Subscribers, to publish the following Extract of a Letter, and a Petition from the Merchants in London, to the Board of Trade.

Extract of a Letter from London, dated the 20th of April, 1765.

IHAVE, as a Matter that appears to me of the utmost Consequence to each Individual of his Majesty's Subjects, devoted my whole Time ever since the first Instant, being the Day I became possessed of sufficient Authority whereupon to found an Application to the Board of Trade, to the framing and procuring Hands to a Petition relative to the late base, cowardly and villainous intended Assassination of my Friend Mr. Thomas Walker, of Montreal, in whose Person Civil Government has been stabbed, and Military Cruelty and Despotism attempted wantonly and triumphantly to be established in its Stead.—I have had for my Coadjutor herein, my worthy Friend —, who (if the Gentlemen on your Side approve our Conduct) hath on this Occasion superior Merit to myself.—You have the Petition inclosed, with such Names annex'd, as do it and themselves Honour; the present Lord Mayor, Four Aldermen, Four Members of Parliament, and the most respectable Names in the Trade to North-America being amongst the Number, and abundantly more might have been procured if they had been solicited for, this not being a Party Matter, but what affects every Briton, whose Life and Property is equally liable to the like Insult. Our View was to procure Names well known and respected at the Board of Trade, where we now appear with the fullest Credit: I must not omit to mention Mr. Vialars, as a Gentleman deeply interested in the Canada Trade, was applied to, but refused to sign this Petition; perhaps People on your Side may be able to discover the Cause, tho' it escapes my Penetration. It was presented Yesterday, but following to close on Lord Byron's Trial, and the Bill depending in Parliament, relative to the Quartering Soldiers in private Houses in America, being to be read a second Time in the House, Lord Hillsborough, first Lord of Trade, was prevented attending; but we are to go up again on Monday, and if the most liberal Use of my Purse, join'd to the best Exertion of my other Abilities, can effect it, the Perpetrators of that bloody and inhuman Scene shall meet their Deserts, and the Civil Rights of the People be effectually secured from the further Insults of Military Barbarity. In regard to the Bill just mentioned, it has rous'd the Spirit of the Nation, and is so warmly oppos'd by the best Friends of his Majesty's Person, Family, and Government, that the Ministry seem disposed to lay aside so hateful a Measure, by substituting one more constitutional for the Preservation of the Troops on a March.

To the Right Honourable the Lords Commissioners for Trade and Plantations.

The following Memorial and Petition from the Merchants and Traders of the City of London, trading to Canada, on Behalf of themselves and others, HUMBLY SHewETH,

THAT on the late Peace made with France, the Province of Canada being ceded to Great-Britain, his Majesty was graciously pleas'd

to issue his Royal Proclamation, promising sundry Benefits and Emoluments, and in particular His Royal Protection to such of his Subjects as were inclin'd to settle in any Part of the newly acquired Territory.

That on the Strength and Security of the said Proclamation, several very eminent Merchants and Others (many of them Persons of considerable Property) embark'd for Canada, and are now settled in sundry Parts of that Country, and more particularly at Quebec and Montreal, whereby a very extensive Trade is carried on, and very large Quantities of British Manufactures are sold and consumed there; in Return for which, they remit very valuable Cargoes of Furs, Oil, Fish, and other Articles of the Produce of that Province, to the great Advantage of his Majesty's Subjects in general, and the great Increase of his Majesty's Revenue.

That the Nature of this Trade is such (partly from the Distress and Poverty of the French Inhabitants remaining there, owing to the Non payment of the Canada Bills, and partly from the long Time required to get Returns from the Indians) that the Merchants and Traders in London are oblig'd to give Credit to the Merchants and Traders there to a very large Amount.

That the Faith and Confidence of the Merchants and Traders here, can only be supported and kept alive by the Security promised by his Majesty to the Merchants and Traders there, both of their Persons and Effects, on Failure of which they would most assuredly withhold their Credit, and the Trade being thus unsupported, must in Consequence fall to the Ground.

That your Petitioners have to complain, that divers of his Majesty's commissioned Officers (unacquainted with the Nature of Trade) have laid on many Restraints, and by their own Authority have enforced certain Laws and Regulations, so inconsistent with Commerce in general, and as we conceive so contrary to his Majesty's kind Intentions, that inevitable Ruin must ensue to many of his Majesty's Loyal and Faithful Subjects, unless timely prevented.

That your Petitioners have further to complain, that by the arbitrary and violent Proceedings of the Military (more especially in Montreal) the Liberties of His Majesty's Subjects there have been greatly infringed, their Properties invaded, and their Persons grossly insulted, and put in imminent Danger, to the great Contempt of his Majesty's Authority, and the utter Subversion of Law and Order: And in Particular, that on the sixth of December last, between the Hours of eight and nine in the Evening, six Russians entered the House of Thomas Walker, Esq; an eminent Merchant at Montreal, and one of his Majesty's Judges of the Peace for that Place:—That these six Persons having their Faces blacked, and being armed with various Weapons of Destruction, did then and there make a violent Assault on the said Thomas Walker, giving him fifty-two different Wounds, and leaving him for dead.

That several Persons being afterwards apprehended and taken into Custody, on the strongest Presumption of being Principals in this Atrocious Act, certain Officers and Soldiers of his Majesty's Twenty-eighth Regiment, then quartered at Montreal, broke open the Goal, and in Defence of all Law, set these Prisoners at Liberty, publicly threatening Death to all Persons who should dare to make any further Enquiry into this Affair.

That your Petitioners are ready to produce before your Lordships, such authentic original Letters as they humbly presume will be deemed of sufficient Evidence and Authority, and hope it will not be expected that they should farther authenticate their Memorial by Affidavits and other Vouchers of a public Nature, as the Insolence and Opposition of the Military in Canada have rendered such Proofs totally impossible.

Your Petitioners beg Leave to lay these Petitions before your Honourable Board, as being an Affair of the utmost Consequence to the Interest of Trade and Plantations, which are immediately under your Lordships Patronage and Protection: And tho' your Petitioners are far from presuming to dictate in this Matter, yet they are in Hopes your

Landships, will in your great Wisdom discover, that a Military Government is entirely incompatible with the Spirit and Genius of Commerce, and that a Civil Administration, with a regular House of Representatives, is the only Means to make this infant Colony flourish and become useful to the Mother Country.

Your Petitioners humbly submit these Complaints to your Lordships known Penetration and Justice, and crave an effectual and speedy Redress; and your Petitioners (as in Duty bound) shall ever pray, &c.

LONDON, May 21.

A Number of Notices were stuck up on Saturday Night, by Order of his Majesty's Commissioners of Lieutenancy, requiring all Persons liable to bear Arms in the City, to appear personally, or by Substitute, at Beat of Drum, in case of any future Disturbance, which Notices were left Yesterday at every Housekeeper's.

Yesterday Morning a Party of the Guards were ordered to be in Readiness on the Parade, to suppress any Riots, or remove Obstructions to the Peers in passing to and from the House; but no Disturbance happened.

Yesterday a Party of the Foot Guards from the Tower continued on Duty in Moorfields, but every Thing remained quiet.

A great Number of Horse and Foot Guards are quartered about the New Road, Bethnal Green, and other Parts, in order to be ready on short Notice, to march out, if the Weavers should assemble in a riotous Manner again.

Several Thousand Weavers from Norwich, and other large Trading Towns, in the same miserable distressed Situation as their Brethren in Spitalfields, arrived on Sunday in Town, in order to petition for Relief.

We hear that this Morning Eleven of the Journeymen Weavers, deputed from the whole Body, went down to Westminster, as by the Act relative to tumultuous Assemblies, it is deemed a Riot if Twelve Persons meet together; in this Instance the poor Weavers very prudently endeavoured not to be deemed Rioters, by sending a less Number.

This Morning upwards of Thirty Coaches with Coronets set out on the Rout for the Temples of Liberty at Stowe and Hayes, from which, it is conjectured, some very important Turn in the Affairs of that Goddess is now on the Carpet.

May 23. Tuesday the Weavers, who were expected again to assemble, continued quiet. Proper Precautions were taken to prevent their joining and marching in Bodies, by placing a strong Guard in the following Manner: Two Troops of Horse were drawn up in Moorfields in Order of Battle, with Colours, Standards, &c. in the Center was a Battalion of the Guards; they continued under Arms all Day: A Troop of Horse was stationed at the Foot of London-Bridge, to prevent their passing that Way; and another Troop of Horse did Duty at the Foot of Westminster-Bridge.

The same Morning a large Detachment of the Foot Guards, joined by a Party of Horse, and Horse Grenadier-Guards, were drawn up under Arms in St. James's Park, to prevent any Riots or Obstructions to the Members or Peers passing or repassing to and from the House; but every Thing continued in perfect Tranquility.

Some of the current Reports of Yesterday were, that his Royal Highness the Duke of Cumberland will be created Captain-General of the Land Forces in Great-Britain;

General Conway to be Vice-Treasurer in Ireland; And

The Earl of Bute Lord Chamberlain of the Household.

It is also said that Earl Temple and Mr. Pitt have declined the Secretaryship; Lord Lyttleton is talked of to be first Lord of the Treasury; George Grenville, Esq; Chancellor of the Exchequer; Lord Northington, President of the Council; Hon. Charles Yorke, Lord Chancellor, and Sir Joseph Yorke, Secretary at War.

We are assured that the Reason of the Right Hon. William Pitt, Esq; refusing to come into the Administration again, is purely on Account of his uncertain State of Health.

Extract of a Letter from Virginia.

"My last advised you of the universal Conster-nation of America, on the Resolution formed to load us with Taxes. Its immediate Effects were like those of an Earthquake, every Individual apprehending certain Ruin. In this Province our Minds begin to grow calm. We see with Certainty that the Stroke will recoil with double Force to yourselves, and ultimately be the most beneficial Measure for us that could possibly be invented. I will tell you its present Benefits: We have the Pleasure to see the extreme Frugality assumed by all Ranks of People: Every Article of Luxury is banished; and those are esteemed the best Patriots, and most in Fashion, whose Cloaths are most thread-bare and patched. I sincerely pity you, and other Creditors, upon whom the Storm must fall the heaviest. You compute this Colony owes to Great-Britain a Million: You know we cannot raise a Mite towards the Discharge of it. Our Provincial Debt amounts to 250,000 l. The new Duties and Stamps will complete our Bankruptcy: And if we coin Paper, it cannot be a legal Tender, and of Course useless. But you will not be the only Sufferers. The Public will lose more in its Revenue on Tobacco, than it will gain by Stamps. We cultivate that Commodity to exchange for your Manufactures, which, we shall soon convince you, we have no Need of."

N E W - Y O R K, July 29.

The greatest Confusion and Uneasiness seems to prevail throughout the British Dominions, both at Home and in the Colonies.—Trade and Business of all Kinds continually grows more and more Distressed, even before the fatal Act takes Place.

—Could the greatest Enemies we had in the World have contrived more effectually to Distress the Nation?—What worse had we to fear from our Enemies!—Our Prisons have been for some Time crowded with Debtors, and our public Papers with Advertisements for their Discharge by Acts of Insolvency.

Governor Murray has received Orders to discontinue the Practice of Quartering Soldiers on private Houses, after Barracks are provided, and that they shall pay the full Market Price for every Thing.—It is said the People of the Isle of Man, and of Jersey and Guernsey, intend to claim the Liberty of sending Representatives to Parliament.—The brave Corsicans still maintain their FREEDOM, and are as formidable as their TYRANTS.—The Court of Spain have absolutely refused Payment of the Manilla Ransom.—The Canada Bills not yet adjusted with France—nor like to be.—How Tame to Enemies! How Severe to Children!

We hear there are Letters in Town from London, as late as the 15th of June, received Via Boston, that say the Ministry is changed, that the Earl of Bute is gone down to Scotland, and that Mr. Pitt was intreated to accept of his old Place of principal Secretary, but that he declined the Offer.

ANNAPOLIS, August 15.

Last Week a very melancholy Affair happened in this Place: On Thursday Morning Mr. Francis Keys, Constable, went out and gathered a Parcel of, as he Thought, Mushrooms, and brought them to Mr. Golder's, his Lodgings, where they were Fry'd, and Mr. Golder, a little Son of his about 8 or 9 o'Clock in the Morning; but in the Evening, at Sun-set, Candle-lighting, and Ten o'Clock, they were seiz'd with violent Vomiting, and Purgings. Next Morning the Flesh of Keys, and the Child, was as cold as Clay, except about the Stomach, and so they continued, tho' the Weather was very Hot, till Death put a Period to both

their Disorders, on Saturday Morning at 8 and 9 o'Clock. The Surgeons open'd the Body of Keys, but found his Stomach and Heart sound, the Poison having, we suppose, diffused itself thro' the whole Mass of Blood. Mr. Golder is yet alive, but has been extreme ill ever since, and whether he will recover or not, God only knows. No Person else in the Family, out of the Mother except Mrs. Golder, who only Fainted, and was taken ill, but soon recovered.

Since the above Catastrophe happen'd, it has been conjectured, and perhaps on very good Grounds, that several Lives have been lost here, and in the Vicinity, by the same Means. A Woman and her Daughter in Town, about a Twelvemonth ago, were taken ill with very odd and common Disorders, not altogether unlike the above, and both Died, tho' not so suddenly, as it may be supposed they did not eat so much of the poisonous Morfel at one Time; but they were both fond of the DELICACY, and often Eat of it: The Master of the House, a hearty Man, who likewise partook, was very ill for a long Time, tho' he is yet Living; but has in the great Measure lost the Use of his Limbs. And not long since a healthy Man on Kent-Island, who frequently Eat of those Things, (the Reader may call them Mushrooms, Toad-stools, or what he pleases) was taken with a strange Illness, and soon after Died; no Body ever suspecting, till now, the Cause of any of their Deaths. And perhaps even now it may be only Suspicion. But—

Several Pieces intended for the PRESS, were oblig'd to postpone, for Want of Room.
The Town is again almost clear of the SMALL-POX.

BROKE out of Calvert County Jail, on the 25th of July last, the Four following Sailors, Three of whom were committed as Runaways from the Ship Friendship, Capt. Joseph Richardson, and the other on Suspicion of Felony, named Christopher Clegg, John Thomas, Robert King, and John Commins. Whoever will apprehend and deliver them to the Subscriber, in Calvert County, shall receive a Pistole Reward for each, and reasonable Charges, paid by TRUMAN SKINNER, Sheriff.

Baltimore County, July 31, 1765.

RAN away from the Subscriber, living in Piscataway Neck, about 3 Weeks ago, a Mulatto Slave, named Jafan, about 35 Years old, 5 Feet 6 or 7 Inches high, has a down Look, and is slow of Speech, but an artful enterprising Genius: He had no other Cloaths on, when he went, than a Country Linen Shirt, and Trowsers; but will soon procure others. It is probable he is gone down or over the Bay, as one of the Neighbour's Canoes was taken away the Night he went off.

Whoever apprehends the said Slave, and secures him in any Jail, so that his Master gets him again, shall have Forty Shillings if in the County, and Three Pounds if out; and Four Pounds if out of the Province: If brought home, Three Pounds if in the County, Four Pounds if out, and Five Pounds if out of the Province, and all reasonable Charges borne, paid by

LURE TROTTER.

STRAYED or Stolen from the Plantation of *Spacious Compton*, on the first of July last, a likely Bay Horse about 13 Hands and an Inch high, branded on the near Shoulder M C, has a Star in his Forehead, a Snip on his Nose, a grey Spot under each Eye, paces naturally, and is trimmed with a Ridge Mane.

Whoever will bring the said Horse to the Subscriber, living near the Eastern Branch Ferry, in *Prince-George's* County, shall have Fifteen Shillings Reward if taken in the County; and if taken out of it, Twenty Shillings, paid by

(3) **396** JOHN BAPTIST COMPTON.

To be SOLD at the HIGHEST BIDDER, by Decree of Fairfax County Court, on Thursday the Third of October next, at the Town of Colchester, in the said County,

(9th) ANDREW BAILLIE.

Rusby-Hall, July 29, 1765.

RAN away from the Subscriber, on Saturday last, a Servant Man, named JOSEPH DENT, about 23 Years of Age; had on, when he went away, a brown Thicket or Fustian Coat and Breeches, a short blue Jacket, and a red Cloth Waistcoat over it; a brown Wig, Yarn Stockings, and common Shoes; and probably has taken more Clothes with him.

He is about 5 Feet 9 Inches high, well made, and active, is full faced, rather of a pale Complexion, marked with the Small-Pox, and hesitates a little in speaking, says he was born in France, but went to England young. He speaks French well, and English so well, that no Person would take him for a Foreigner. I purchased him for a Gardener, of which Business he is very ignorant, though he speaks well on the Subject, as he does on many others, being artful, and very smart. He pretends also to understand the Shoemaker's Trade, and some Branches of Husbandry. He has been in the Army a great Part of his Life, and a considerable Time in the French Service.

A few Days before he eloped, he applied to one McDonald, a Man who had a Pass from *George Staniars*, Esq. of *Annapolis*, desiring a Copy, so that it is probable he has forged a Pass either in Dr. Staniars's, or any Name, as he writes a pretty good Hand.

Whoever apprehends the said Servant, and will deliver him here, shall receive Ten Pounds Reward.

(11th) WILLIAM FITZBUGH.
